**LIST OF WORDS**

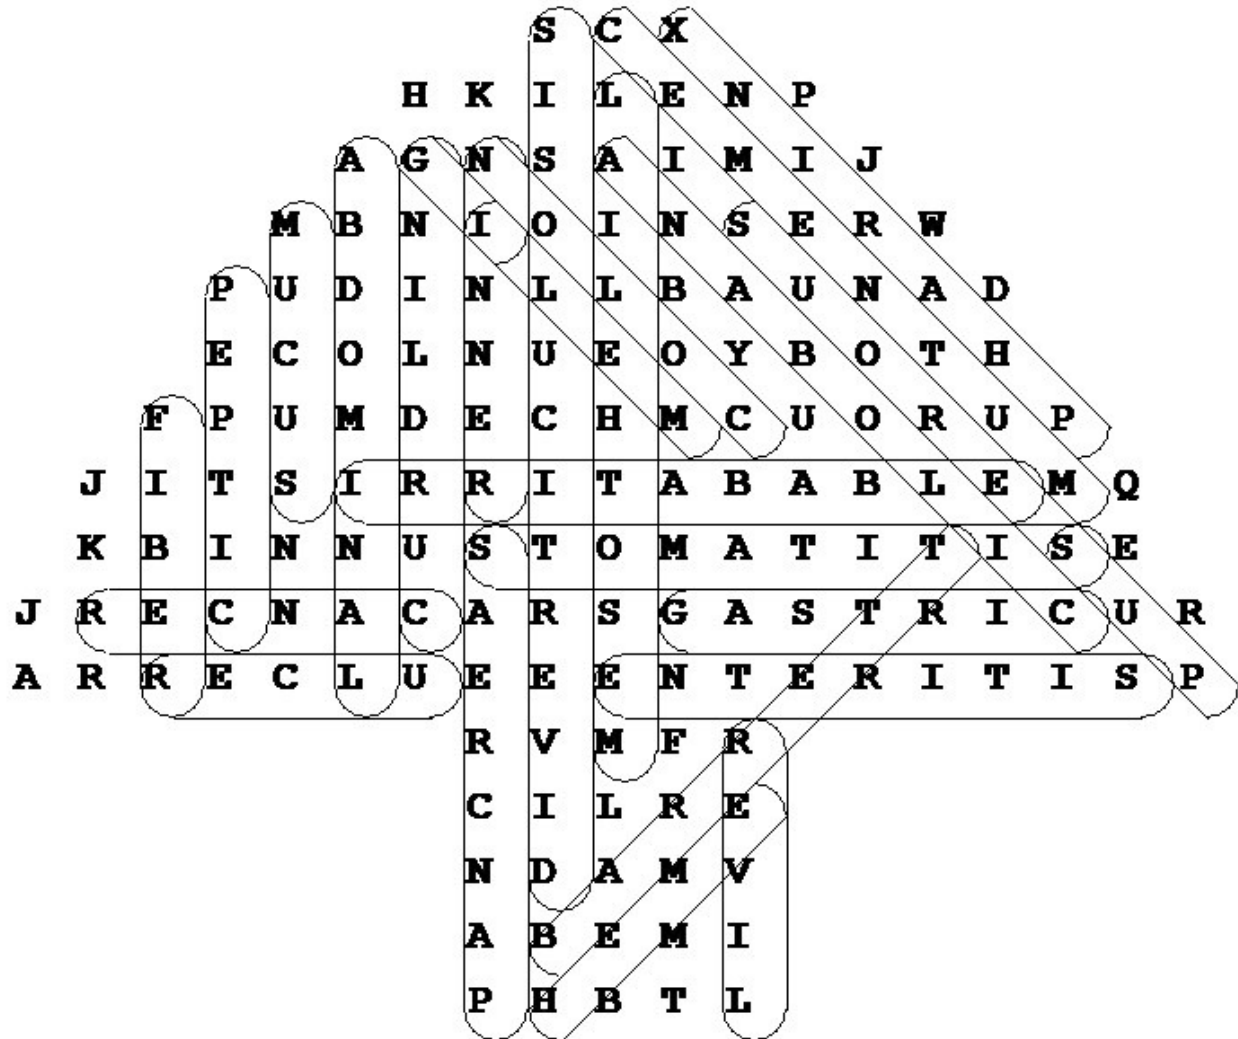

ABDOMINAL  
ANABOLIC  
BARRETT  
CANCER  
CEMENTUM  
COLON  
CURDLING  
DIVERTICULOSIS  
ENTERITIS

FIBER  
GASTRIC  
GI  
HEME  
ILEM  
IRRITABABLE  
LIVER  
MESOTHELIAL  
MUCUS

PANCREAS  
PEPTIC  
PHARINX  
PUS  
RENNIN  
SEROUS  
STOMATITIS  
ULCER

- 1) Find in the Word Search Puzzle all the words shown above.
- 2) On a separate sheet of paper, for each word, please write its definition or a sentence, or any combination of both. Your sentences must involve relevant concepts in this lesson. The quality of the sentences you write will determine your grade.
